

**Layered Vegan Taco Dip (serves 6-8)**

1 16oz. container of vegan sour cream  
1 16 oz. container of vegan cream cheese  
1 can refried black beans  
1 package taco seasoning  
1 can rotel  
1 small can chopped black olives  
2 cups shredded iceberg lettuce  
1 cup shredded vegan cheese  
Hot sauce

Tomato slices (for garnish)

Combine the sour cream and cream cheese with the taco seasoning and spread onto a serving platter.  
Heat the black beans until soft and add the can of rotel.

Layer in this order:

- Cheese and sour cream spread
- Black beans w/ rotel
- Black olives
- Lettuce
- Shredded cheese
- Sliced tomatoes

Serve with your favorite chips!

**Mini Taco Salads (serves 6-8)**

3 packages of mini phyllo cups  
1 package of soy crumbles (you can substitute with black beans, lentils or TVP)  
1 package of taco seasoning  
Vegan sour cream  
Avocado (chopped into small bite size pieces)  
Shredded lettuce  
Vegan shredded cheese  
Hot Sauce

Build as you would a taco:

Lettuce, protein, sour cream, avocado, hot sauce, shredded cheese  
Pop in your mouth and enjoy!
